

Cincinnati Woodworking Club

Jim Schaefer Toy Project 2010

This year the Club donated 1624 items to the Christian Appalachian Project (CAP). WOW!!!!!! Dusty Eling and Howard Renner delivered the toys to CAP on November 15, in Mt. Vernon, KY. As always they received a warm welcome.

Again this year the toys were delivered via a rental truck driven by Dusty. He got us a good deal on the truck. We wish to thank Brad Brockoff, the local Penske dealer, who donated the use of the truck and asked only that we pay for gas. We appreciate his generosity!

We want to thank everyone that helped make this happen. Thanks to all who helped us carry the toys down to the basement, and back up to load the truck on Monday morning. Boy that went fast!!!!!!

A special thanks to all those individuals who donated their time, effort, and material to enable these children to have a Merry Christmas. Check out pictures of the toys in the Photo Gallery.

It's not too early to start on next year's toys. We have lots of toy making supplies on hand and funds available to purchase more. Please let us know if there are specific items that you need.

May God bless you all.
